“To ask the Minister for Health his plans to increase additional respite services and if such services will be increased through the use of facilities in both public and private nursing home sectors in counties Cavan and Monaghan; and if he will make a statement on the matter”

Brendan Smith T.D

Dear Deputy Smith,

I refer to your recent representation with regard to the above. I have examined the matter and the following outlines the position.

I can confirm that when the capital works are complete in the Breffni Care Centre, Ballyconnell and when the unit which will replace the former Oriel House in Monaghan is complete both of these facilities will offer respite services in Cavan and Monaghan respectively. It is expected that capital works will be completed in both centres in 2020 /2021.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely,

Frank Morrison
Head of Social Care CHO1
